

Postal Permit Information

When building a postal permit indicia, keep these rules in mind:

- 1. Permit box must be no smaller than 1" x 1".
- 2. Permit box is no more than 1-1/2" below or left of the upper right corner of the mail piece's address area.
- 3. Type may be no smaller than 4pt.
- 4. The box around the indicia is optional.

The permit #3246, represented in the indicia samples below, belongs to FlexDigital (or MSB Inc.). When we process your mail, you may use our permit number at no extra charge.

Standard A Indicia *(formerly called Bulk Rate or Third Class)*

Standard Permit Indicia:
